REPLACEMENT CULVERT PERMIT APPLICATION

TO REPLACE AN EXISTING RESIDENTIAL DRIVEWAY CULVERT ONLY

DATE: _____

PERMIT #: _____

I, undersigned, do herewith make application for permission to make the following improvements in the City of Magnolia and furnish the following information in connection herewith:

1. Address/Location of Driveway: _____
2. Name of Property Owner: _____ Phone #: _____
Mailing Address (if different from above): _____
Primary Contact Email: _____

CULVERT AND MATERIALS: TO BE PURCHASED BY THE APPLICANT.

CITY REQUIREMENTS:

- 1) 18" (INCHES) MINIMUM CULVERT REQUIRED - 16'-0" LENGTH
MATERIALS ALLOWED: REINFORCED CONCRETE PIPE
CORRUGATED PLASTIC - SMOOTH INTERIOR
- 2) BASE MATERIAL
MATERIALS ALLOWED: LIMESTONE
CRUSHED ASPHALT

CITY OF MAGNOLIA:

The City of Magnolia requires 10 working days to complete the install, weather permitting. City of Magnolia makes no warranty implied or otherwise regarding washout caused by inclement weather.

If the City determines that the installation of a culvert would disrupt or otherwise impede the flow of storm water, the placement of a culvert will not be authorized.

An additional driveway permit is required for concrete and asphalt driveways. Inspections are required prior to the concrete placement.

FEES: \$50.00

NO REFUNDS
